Counting On

Year 2, Unit 2 Arabic B Overview

Introduction

In this unit, students will revise how to count to 10. They will then learn to count on to 20. They will play simple number games to reinforce this new vocabulary.

By the end of this unit...

All children should be able to:

- count to 20
- order numbers to 20
- identify numbers written in Arabic
- play number games to reinforce this new vocabulary

Most children will be able to:

- match each number to the spoken Arabic word
- count backwards from 20

Some children will be able to:

- write numbers in Arabic
- add together two single digit numbers
- subtract a single digit number from a single digit number
