

Year 1 Block A Mathematics Overview

2023-24

Number: Place Value (to 10)	Number: Addition & Subtraction	Geometry: 2D & 3D shapes	Number: Place Value (to 20)
---------------------------------------	---	-------------------------------------	---------------------------------------

Number: Place Value

- Count to ten, forwards and backwards, beginning with 0 or 1, or from any given number.
- Count, read and write numbers to 10 in numerals and words.
- Given a number, identify one more or one less.
- Identify and represent numbers using objects and pictorial representations including the number line, and use the language of: equal to, more than, less than (fewer), most, least.

Number: Addition and Subtraction

- Represent and use number bonds and related subtraction facts within 10
- Read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs.
- Add and subtract one digit numbers to 10, including zero.
- Solve one step problems that involve addition and subtraction, using concrete objects and pictorial representations and missing number problems.

Geometry: 2D & 3D Shapes

- Recognise and name common 2-D shapes, including: (for example, rectangles (including squares), circles and triangles).
- Recognise and name common 3-D shapes, including: (for example, cuboids (including cubes), pyramids and spheres).

Number: Place Value

- Count to twenty, forwards and backwards, beginning with 0 or 1, from any given number.
- Count, read and write numbers to 20 in numerals and words.
- Given a number, identify one more or one less.
- Identify and represent numbers using objects and pictorial representations including the number line, and use the language of: equal to, more than, less than (fewer), most, least.
