

Year 1 Block B Mathematics Overview

2023-24

Number: Addition & Subtraction	Number: Place Value (numbers to 50)	Measurement: Length & Height	Measurement: Weight & Volume
---	--	---	---

Number: Addition & Subtraction

- Represent and use number bonds and related subtraction facts within 20.
- Read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs.
- Add and subtract one-digit and two-digit numbers to 20, including zero.
- Solve one step problems that involve addition and subtraction, using concrete objects and pictorial representations, and missing number problems such as $7 = ??? - 9$.

Number: Place Value

- Count to 50 forwards and backwards, beginning with 0 or 1, or from any number.
- Count, read and write numbers to 50 in numerals.
- Given a number, identify one more or one less.
- Identify and represent numbers using objects and pictorial representations including the number line, and use the language of: equal to, more than, less than (fewer), most, least.
- Count in multiples of twos, fives and tens.

Measurement: Length & Height

- Measure and begin to record lengths and heights.
- Compare, describe and solve practical problems for: lengths and heights (for example, long/short, longer/shorter, tall/short, double/half).

Measurement: Weight & Volume

- Measure and begin to record mass/weight, capacity and volume.
- Compare, describe and solve practical problems for mass/weight: (for example, heavy/light, heavier than, lighter than); capacity and volume (for example, full/empty, more than, less than, half, half full, quarter).
