School Life

Year 5, Unit 5 Arabic B Overview

Introduction

In this unit, students will learn key vocabulary related to objects, subjects and prepositional language. It includes a Maths lesson which teaches the students the names of 2D shapes. Students will learn questions and answers which they would commonly use at school. They will learn key phrases connected to the themes.

By the end of this unit...
All children should be able to:
<ul style="list-style-type: none">• name subjects we study in school• name various 2D shapes• describe various school related objects• take part in conversations with a partner• listen and respond to topic vocabulary• answer questions orally using the topic vocabulary
Most children will be able to:
<ul style="list-style-type: none">• discuss subjects they like and dislike at school• ask and answer questions related to school• discuss where you can find objects around the school
Some children will be able to:
<ul style="list-style-type: none">• use pronouns to replace a person's name• use prepositional language
